SUMMARY

Dynamic and versatile software developer with a strong foundation in the MERN stack (MongoDB, Express.js, React, Node.js) and a passion for creating visually compelling and user-friendly designs. Combining technical expertise with creative graphic design skills, I excel at developing robust web applications and crafting engaging visual content. Known for my problem-solving abilities, I thrive in fast-paced environments, consistently delivering innovative solutions that meet client needs and drive business success. Adept at collaborating with cross-functional teams to bring ideas to life, I am committed to continuous learning and staying ahead of industry trends.

SKILLS

- Report Development
- JavaScript proficiency
